

Hans-Josef Fell

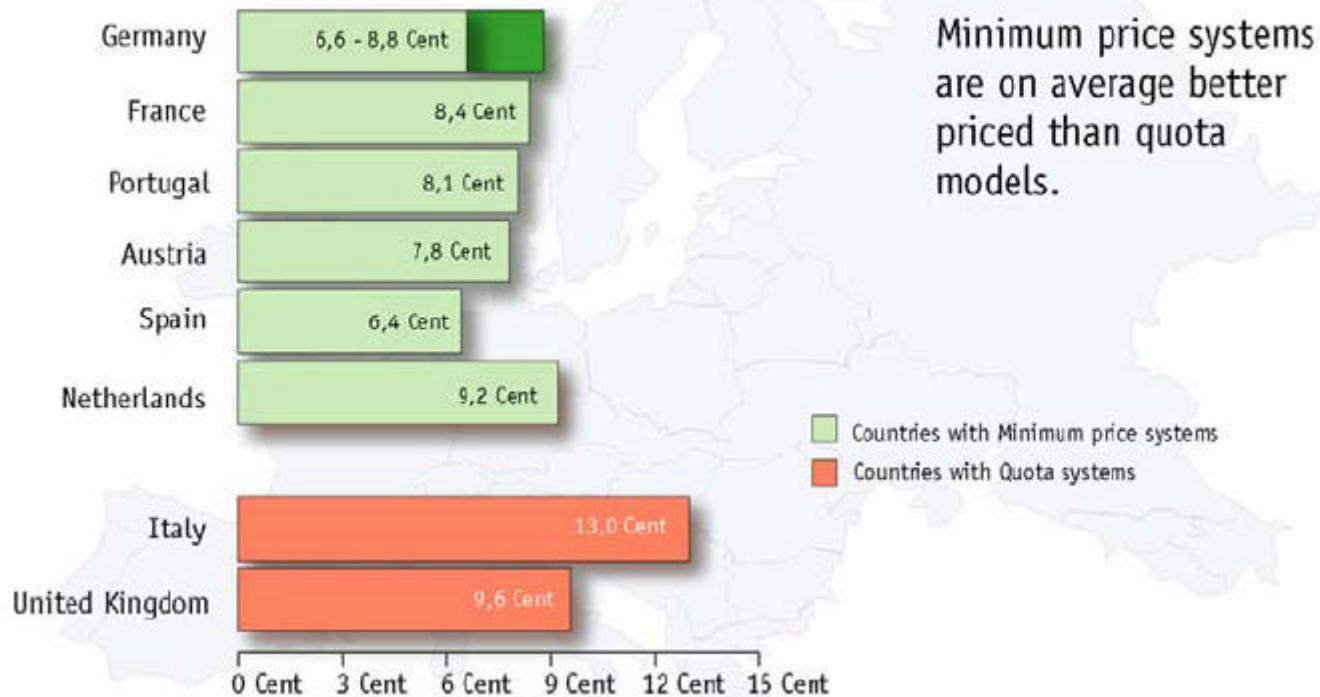

Minimum price system compared with the quota model – effectiveness and efficiency

Hans-Josef Fell

Price per kilowatt

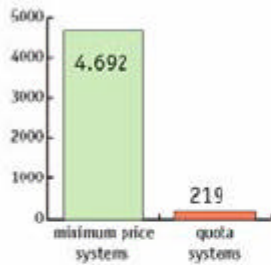

Hans-Josef Fell

Newly installed wind power capacity in megawatts.

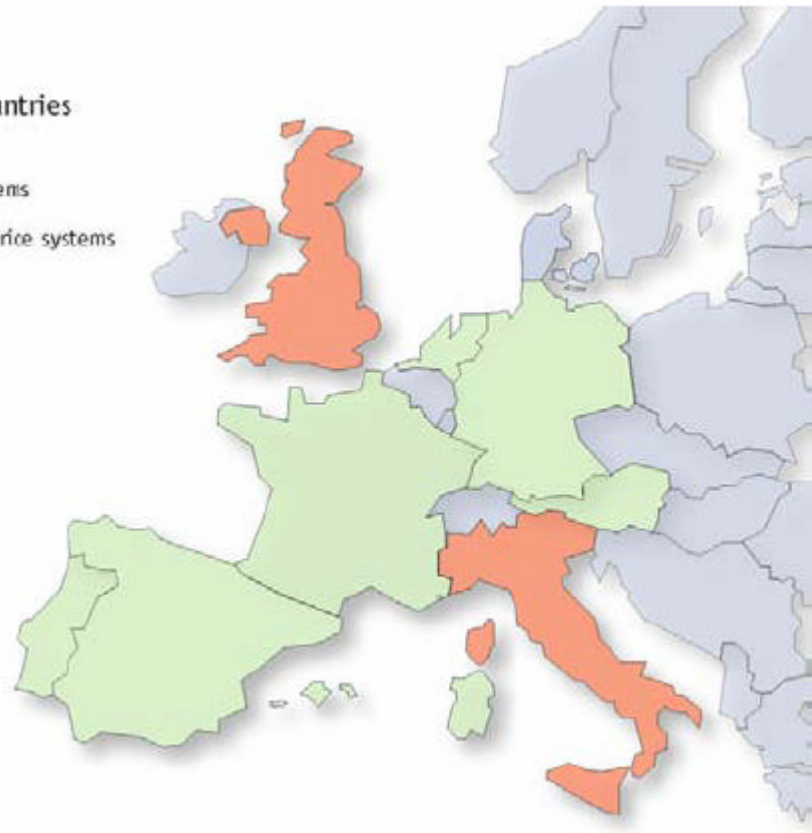

Newly installed capacity in watt per inhabitant.

In comparison:

The most important countries using wind power.

- Countries with Quota systems
- Countries with Minimum price systems

Share in newly installed capacity in states of EU-15

Hans-Josef Fell

Minimum price system compared with the quota model

	Country	Price per kilowatt (€ ct/kWh)	Totally installed capacity (MW)*	Arbeitsplätze
Countries with Minimum price system	Germany	6,6 –8,8 ca.	14.609	46.000
	Spain	6,6	ca. 6202	ca. 20000
Countries with Quota scheme	UK	ca. 9,6	649	ca. 3000
	Italy	ca. 13	904	ca. 2500
